SECLUSION™ SERIES

The Seclusion Series of power and data units were designed for style and flexibility. Seclusion units can be mounted in a variety of ways to allow you the choice of hiding the unit under the table surface or displaying it conveniently on top of the worksurface.

Specifications

- Mounts to surface thicknesses: .75”-1.75”
- Optional Clamp Accessory accommodates table thicknesses up to 2.00”
- UL/CUL Listed
- Endless Power and Data Options
  8 standard power and data configurations.
- Multiple Mounting Mechanisms
  Flexible mounting brackets providing undermount and tablemount capabilities are included with the product. Clamp on bracket is available as an option.
- Easy Installation
  No table cutouts required marking product installation simple.
